

Charitable fund to help those less fortunate in our communities

Riverland Energy Cooperative is proud to introduce our Community Care program. Riverland Community Care is the newest offering in a long list of community service programs offered by your cooperative. It uses the power of cooperation to provide much needed grant dollars for community projects, 501(c)3 organizations, and non-profit groups within Riverland Energy Cooperative's service territory. Applications for the grant, including qualifications, will be available once the Community Care program has funds available to distribute.

Members can voluntarily choose to have their monthly energy bill rounded up to the next whole dollar amount. For example, if your energy bill is \$41.60, it will automatically be rounded up to \$42, with the additional 40 cents going to the Community Care fund.

Participation in Riverland Community Care is Voluntary

If you would like to participate, please sign up below.

Yes! I want to sign up to have my monthly bill rounded to the nearest dollar. I know that this money will be donated to a worthy cause, chosen by Riverland Energy Cooperative and the Riverland Community Care board of directors. I understand that by signing and returning this form, my bill will be rounded up to the nearest dollar and that unless I call in to have that changed, this will happen until I no longer receive power from Riverland Energy Cooperative.
