

FROM LITTLE CONTRIBUTIONS TO BIG DIFFERENCES

**Riverland Energy
Cooperative**

Your Touchstone Energy® Partner 

By Tim Holtan, CEO

At Riverland Energy Cooperative, powering homes and businesses is just the beginning of what we do. We're passionate about providing safe, reliable, innovative, and affordable energy and related services—but equally devoted to uplifting the communities we serve. With our guiding principle of Concern for Community, community support is woven into the fabric of our cooperative.

One example of our commitment is the “Rounding Up For Community Cares” program. It’s proof that when neighbors come together, small actions can spark big change. Through this initiative, members can voluntarily round up their electric bill to the nearest dollar, turning pocket change into meaningful contributions for the

Community Cares Foundation. With every rounded-up bill, our members help fuel positive impacts across the community. When we work together, even the smallest efforts can make a world of difference.

The average donation is about \$6 per year but can range from \$0.01 to \$12 annually. Information on Rounding Up for Community Cares, including the application, can be found on our website under the Community Tab—Community Giving—Community Cares. If you would like to participate in this program, there are several ways to sign up: fill out the participation form on the following page, sign up through SmartHub, visit our website, or call our office.

Grants are awarded semi-annually, with application deadlines in February and August each year.

The recipients display their awards from the 2025 spring cycle of the Community Cares Grant Program. Grant funding was distributed by the Riverland Community Foundation to support local organizations, including Friendship First Foundation, Inc., C-FC Area Food Shelf, Trempealeau County Humane Society, and Arcadia Ambulance Service.

RIVERLAND COMMUNITY CARES

How does it work?

Members who wish to participate in the program will have their electric bill rounded up each month to the nearest dollar. Those few cents are deposited into the Community Cares Foundation fund. The rounded-up amount is shown on your bill and SmartHub account each month. You can keep your billing statements for tax purposes.

Who determines where the funds go?

The Community Cares Foundation is a separate organization from Riverland Energy Cooperative and is governed by a board of directors. After applications are submitted, the directors review the applications from those individuals/organizations requesting funds for charitable purposes. Then, based on the Foundation's bylaws, they approve and distribute the funds.

Who will benefit from Community Cares?

Contributions are generally made to 501c3 organizations whose activities benefit the members within Riverland Energy Cooperative's service area. The program supports a wide range of initiatives, including the purchase of supplies and equipment for rural fire departments and emergency response services, as well as funding for youth activities and educational programs in local schools. These examples illustrate just a portion of the impact made possible through this initiative, and funding is not restricted to these areas alone. The funds are not used to pay members' bills, nor will they be used for political purposes.

How do I apply for a grant?

Organizations and groups that serve communities within Riverland Energy Cooperative's service area are eligible to apply for funding.

To apply:

- Visit our website and navigate to the Community tab to access the application form
- You may complete the form online, print and mail it in or
- Request a copy of the form and detailed instructions by calling our office at 800-411-9115.

The next Community Cares application deadline is August 14, 2025.

How can I participate?

This is a voluntary program. In order to participate in Rounding Up For Community Cares, please fill out the participation form below, on our website, or through SmartHub.

COMMUNITY CARES PARTICIPATION FORM

Yes! I want to sign up to have my monthly bill rounded to the nearest dollar. I know that this money will be donated to a worthy cause, chosen by Riverland Community Cares Foundation, Inc. Board of Directors. I understand that by signing and returning this form, my bill will be rounded up to the nearest dollar and that unless I call in to have that changed, this will happen until I no longer receive power from Riverland Energy Cooperative.

OUR GOAL:
50 PARTICIPANTS
IN 2025

SHARON SLUGA RETIRES AFTER 36 YEARS OF SERVICE

It's bittersweet to say goodbye as we celebrate the retirement of an exceptional team member, Sharon Sluga. She's been part of the Riverland Energy Cooperative family since 1989, and her dedication has been nothing short of remarkable. While we will miss her greatly, we send her off with heartfelt gratitude and our very best wishes as she embarks on this exciting new chapter.

If you've attended an Annual Meeting or a Member Appreciation event, you've probably seen her hard at work. Maybe you've chatted with Sharon in the office or on the phone. For decades, she has been a familiar and trusted presence, always looking out for our members and keeping things running smoothly.

We can't thank her enough for her service. Sharon, your dedication has meant the world to us. Enjoy retirement—you've more than earned it!

Messages from Sharon's Co-workers:

"In the 36 years Sharon has held positions in member

services and operations, but always willing to help wherever needed. Her number one priority has been to make sure the members are taken care of, regardless of what they need. I personally have had the pleasure of working with Sharon, many times side by side, over those 36 years and I thank her for her dedication and keeping things on track while having to put up with me at times."—Tim Holtan, CEO

"Congratulations and good luck in retirement, Sharon. It's been a great pleasure working with you for the last 36 years. The selfish side of me wishes you were staying with us a little longer. Your consistent commitment made everyone's job a lot easier. You've certainly earned the right to take time for yourself, family, and friends, so live life to the fullest and enjoy your new adventures."—Todd Hong

"I wish Sharon all the best in her retirement. I have had the honor, privilege, and pleasure of being mentored by her, working with her, and calling her my friend for over 30 years. Her hard work, dedication, professionalism, loyalty, and achievements in her job (and with friends) will leave a lasting legacy at Riverland Energy. She has helped so many electricians, contractors, inspectors, and members get their projects scheduled and completed. There is a lot of work behind the scenes that needs to take place, and she did it ALL! She will be greatly missed. Enjoy your new adventures, my colleague and friend."—Tammy Hilmanowski

ELECTRICAL SAFETY DEMONSTRATIONS FOR ELECTRICAL SAFETY MONTH

During National Electrical Safety Month, our dedicated line crews sparked curiosity and awareness in classrooms across the community! Over 2,800 elementary students from 22 schools got an electrifying experience—literally—as they witnessed a live demonstration showcasing the power and precautions of electricity.

From buzzing circuits to life-saving safety tips, these future safety champions learned how to stay out of harm's way while respecting the incredible force of electricity. Knowledge is power—especially when it keeps our communities safe!

DO YOU HAVE CAPITAL CREDITS TO CLAIM?

Listed below are the names of members who are entitled to capital credit refunds. Riverland Energy would like to return capital credits to those who earned them; otherwise, the unclaimed capital credits will be forfeited and assigned to the Federated Youth Foundation. These funds are then used in the cooperative's scholarship and education programs. Claims may be sent to the cooperative by email to thilmanowski@riverlandenergy.com, by mail, or by calling 800-411-9115. Pursuant to Wisconsin Statutes Section 185.03 (10), you are hereby notified that Riverland Energy Cooperative of Arcadia, Wisconsin, has in its possession unclaimed funds belonging to you. You may claim these funds on or before September 25, 2025. You are further notified that unless you do claim such funds and provide satisfactory evidence of your right to receive the same, these funds will be forfeited to the cooperative.

(List is continued from last month.)
